

Inspector Basic Training 178th Batch Inaugurated

Inspector Basic Training of 178th batch commenced in National Police Academy is inaugurated by the Director of Junior Police officer college Deputy Inspector General of Police Mr Rana Bahadur Chand.

A total number of forty one inspector trainees including four lady officers are inaugurated. The total duration of this training is sixteen months. The trainees will go through the non-credit course as well as credit course (Post Graduate Diploma in Police Sciences) which is affiliated to Tribhuvan University. Different skill development schemes like motor driving, equitation, swimming are included in this course.

Apart from this, the training also introduces the adventure sports like rock climbing, and the most interesting part of the training includes different visits, field attachment(practical training), and Desh Darshan(study cum cultural tour).

National Police Academy believes in the skill development training as it builds immense confidence along with the theoretical knowledge.

The inauguration was followed by the plantation programme in the premise of Academy by Deputy Inspector General of Police Rana Bahadur Chand, senior police officers of Academy and trainees themselves.
